Teachers are fully qualified and have been teaching children in the local area for over 30 years.

We have taught thousands of children to swim with confidence and lots have gone on to join a swimming club and swim for their County. Some have gone on to swim nationally.

There are also new parent toddler and baby classes starting in September.

Saturday 8:30-11:00

Our aim is to make your child feel safe and comfortable in the water and then progress to good water skills, stroke work and distances.

This is achieved through a wide variety of fun games and activities and leads to simple steps to learning. Our lessons are effective due to the low staff to swimmer ratio, 1:6 up to Stage 4 and 1:8 beyond.

We use a national framework for swimming and your child receive a nationally recognised certificate each term to show their achievements.
