What's On Offer?

Watch the video below to see everything your school restaurant has to offer.

Main Meals

Freshly cooked hot meals are served every day, including popular favourites such as roast dinners and pasta bakes. Each meal is served with vegetable sides and a dessert.

Grab & Go

Perfect for busy days – students can choose from wraps, salads, pasta pots and more. Everything is freshly made, easy to carry, and full of flavour.

Chill Deal

Our **Chill Deal** is a great-value cold meal option. Simply choose **four chilled items** marked with the **Chill Deal logo** for one set price. Pick from favourites like rolls, yogurts, fruit pots and small home bakes – ideal for busy days.

StreetVibes – Made Your Way

StreetVibes brings a taste of the high street into the school restaurant, with bold flavours and a build-your-own style that puts students in charge. It's all about choice, flavour and fun!

StreetVibes runs **Tuesday to Thursday**, with a different concept taking centre stage on alternating weeks. The idea stays simple every time:

- **CHOOSE IT** – pick a base, whether its rice, noodles or salad, we have a variety of bases to create the foundations of a delicious dish.
- **ADD IT** – add a protein such as grilled chicken, savoury beef or plant-based alternatives.
- **TOP IT** – personalise with toppings such as chilli or cool mayo.

With loads of combinations available each week, meals can be mixed and matched to suit every taste.

Free School Meals

Free School Meals (FSM) make it easy for everyone to enjoy healthy, tasty food at school every day.

If eligible, the allowance is added automatically to the student’s account, so meals can be chosen just like everyone else — no separate queue, no extra steps at the till.

With Free School Meals, there’s plenty to enjoy:

- A hot main meal and dessert of the day, **or**
- A mix of StreetVibes and Chill Deal options
- Breakfast and breaktime items are also available within the FSM allowance, so you don't miss out
- Lots of other tasty options

Find out if you're eligible and apply here: <https://www.gov.uk/apply-free-school-meals>

Allergen Safety

All our dishes include full ingredient and allergen information, and all pre-packaged items are clearly labelled with the 14 major allergens. An **allergen matrix** is available at the serving point so students can check choices quickly and easily.

We also have strict **procedures in place to prevent cross-contamination**, ensuring food is prepared safely. For anyone requiring more information or support, our friendly **Allergen Buddies** are always on hand to answer questions.

Theme Days & Specials

We love bringing extra fun into the restaurant. Look out for **monthly theme days** and special menus celebrating cultural events, festive occasions, and global flavours — from Christmas lunches and Chinese New Year to sporty specials and exam-season treats.

Our Food Values – Eat Well, Live Well

We're proud to serve food that's nutritious and kinder to the planet. Our menus are built around:

- **Sustainability-conscious sourcing**, including:
 - MSC- or MCS-certified fish for Fish & Chip Fridays
 - RSPCA-assured free-range eggs
 - Red Tractor British milk
 - Fairtrade or Rainforest Alliance-certified coffee
 - UK-sourced baking potatoes
- **Smart nutrition**, including fibre-enriched breads and sweet bakes — helping reduce over **3.5 million sugar cubes** across our bakery range
