

Community Engagement

We aim for harmonious relationships with all local residents. We expect our girls to be good ambassadors for the school and to conduct themselves safely and sensibly in the area around the school.

Local residents who are concerned about any school-related incidents should, in the first instance, telephone the Headteacher's Executive Assistant on: 01628 502640.

Alternatively, an e-mail can be sent to: lizbateson@newlandsgirls.co.uk

We will always try to respond quickly and efficiently. The more specific the information (e.g. exact nature of the complaint, location, time at which it took place, description of those involved) the easier it will be for us to resolve the issue.

We will also try and keep local residents informed (via the website) of events such as Open Evenings, which are likely to increase the number of cars coming into the area.

The Headteacher is always happy to meet with representatives of local Residents' Associations. An appointment can be made by telephoning her E.A. on the number above.
