

Home learning task term 3: **Challenging**

Draw the Queen

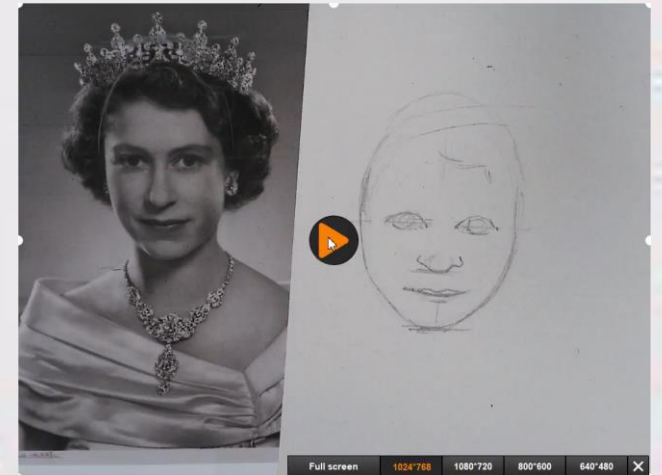

- Select a photo of the queen you would like to draw
[Printing this in black and white \(a4\) will make it easier.](#)
- Start by lightly sketching out the face shape.
- Draw light lines across your picture and drawing to help you get the eyes and nose in the right place.

[There are videos and help sheets on line to help you with 'proportions of a face'](#)

- Work from your picture to add each facial feature, checking as you go.
- Gradually build up shading across the features.

Watch me work: Go to your class Art Teams group

- Click on the files at the top
- Go to the folder- Home Learning term 3
- Watch part 1 and 2 videos to help you though the task. You can pause and work through at your own pace.

Home learning term 3: **Confidence Builder**

Task: Print out the outline of the Queen on the right.

Complete her face by drawing in the eyes, nose and mouth.

Colour your queen in with bright and unrealistic colours inspired by the Andy Warhol images below.
