Dear Parents and Carers

With the new academic year now underway, we wanted to give you advance notice of the exciting trips we will be running. Trips have always been an integral part of what we offer to our students and are crucial in supporting their self-awareness and resilience. We were so pleased to be able to resume running school trips in earnest last year following the disruption caused by the pandemic.

We hope that by providing you with this advanced information we will allow you to budget and plan ahead.

The table below outlines what we are hoping to offer. As you may appreciate, costs are approximated and some trips may not prove viable to run. Equally, there remains a chance that an opportunity for a new trip may present itself further down the line.

Specific information regarding each trip will be communicated to parents, carers and students nearer to the time and as and when trips are confirmed.

Advanced Notice

Our Ski Trip to San Sicario in the Italian Alps in April 2024 is also full, but we aim to run another ski trip no later than Easter 2026 for students in the then Years 9-13.

Thank you in advance for your support for these trips and activities.

Yours sincerely

Mr. J. O'Connell

Assistant Headteacher (with oversight of trips and off-site activities)

We are committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment.
