

INSPIRING FUTURES PROJECT

COURAGE. COMMITMENT. COMPASSION.

As a community, we can make an even greater impact on the **development** and **experiences** of the young people we work with every single day.

HELP WITH YOUR CONTRIBUTIONS

We ask parents to consider making a **monthly donation** of either **£5, £10 or £20** to help us maintain the rich **learning journey** that we have embarked on with you.

HELP WITH YOUR TIME

We are also grateful to parents who can **offer us time** to support with trips, clubs, community projects or by joining the NPA.
