7<sup>th</sup> July 2025

Dear Parents and Carers

On Friday you will be aware that we are holding our annual Sports Day. This event normally lasts all day, but due to the heat it will only run until **12.30pm**.

It is **essential** that the students come prepared for the day. They should have applied sun cream in the morning, bring a hat and plenty of water (we recommend two bottles). They will of course be able to fill their bottle during the event if they need to.

Spectators will be positioned in chairs in the shade (there is lots of shade at the back of our field) and we have requested the loan of additional gazebos for waiting participants and for a shady spot to sit at the end of the races. Girls can also bring an umbrella to offer additional shade.

After periods 4 and 5, school will finish at the slightly earlier time of 3.00pm (students can wait in the canteen or the shaded area by the Year 7 block if they need to, until 3.10pm).

Please can you remind your daughter that whilst we allow the use of face paint in house colours, **this cannot be applied in the toilets of the form rooms on the day and should not be brought to school.**

Thank you to those parents who are able to lend us a gazebo for the event.

Yours sincerely

Miss Jo Capon  
Headteacher

We are committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment.
