26<sup>th</sup> March 2024

Dear Parents and Carers,

We are excited to announce that we will be moving our school Management Information System (MIS) to Arbor after the Easter holiday.

We have been delighted with the uptake of Edulink and how it has improved communications, however in school we have numerous aging and unconnected systems behind the scenes. Adopting Arbor will allow us to communicate with you more efficiently and bring all core school data and workflows into one system.

We are really looking forward to getting started with Arbor and invite all our parents to familiarise themselves using the link below:

[Getting started - Log into the Parent Portal and the Parent App](#)

Arbor also offers access to many training resources which are completely free for you to make the most of! These can all be found [here](#).

For parents and carers you will simply need to delete the Edulink app and Download the Arbor app from the Apple App Store or Google Play store where you will be able to continue to receive communications as well as see your child's attendance and progress data.

We will send further communication about the parental app and how to register on or around 10<sup>th</sup> April, please look out for this information and register your child when prompted.

Yours sincerely

Mr A Morbey  
Deputy Headteacher

We are committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment.
