

NEWLANDS GIRLS' SCHOOL

Vision & Values

We hope that you enjoy looking through this prospectus, which has been designed to give you a flavour of life at our happy and successful school.

Our vision is to build an ambitious and caring community of people who eagerly contribute to every aspect of school life, whilst instilling the ethos that there are no limits to what can be achieved.

This is underpinned by our values:

- **The 3Cs**
- **Courage**
- **Commitment**
- **Compassion**

which feeds into our **core purpose:** We aim to provide a dynamic, rigorous, single sex education fit for the young people in our school. We will offer a rich curriculum which develops character and thrives on aspiration, respect and positive relationships. Our core purpose is to equip our students for life beyond school, preparing them with confidence and enthusiasm for the next steps in their journey.

Miss J. Capon
Headteacher

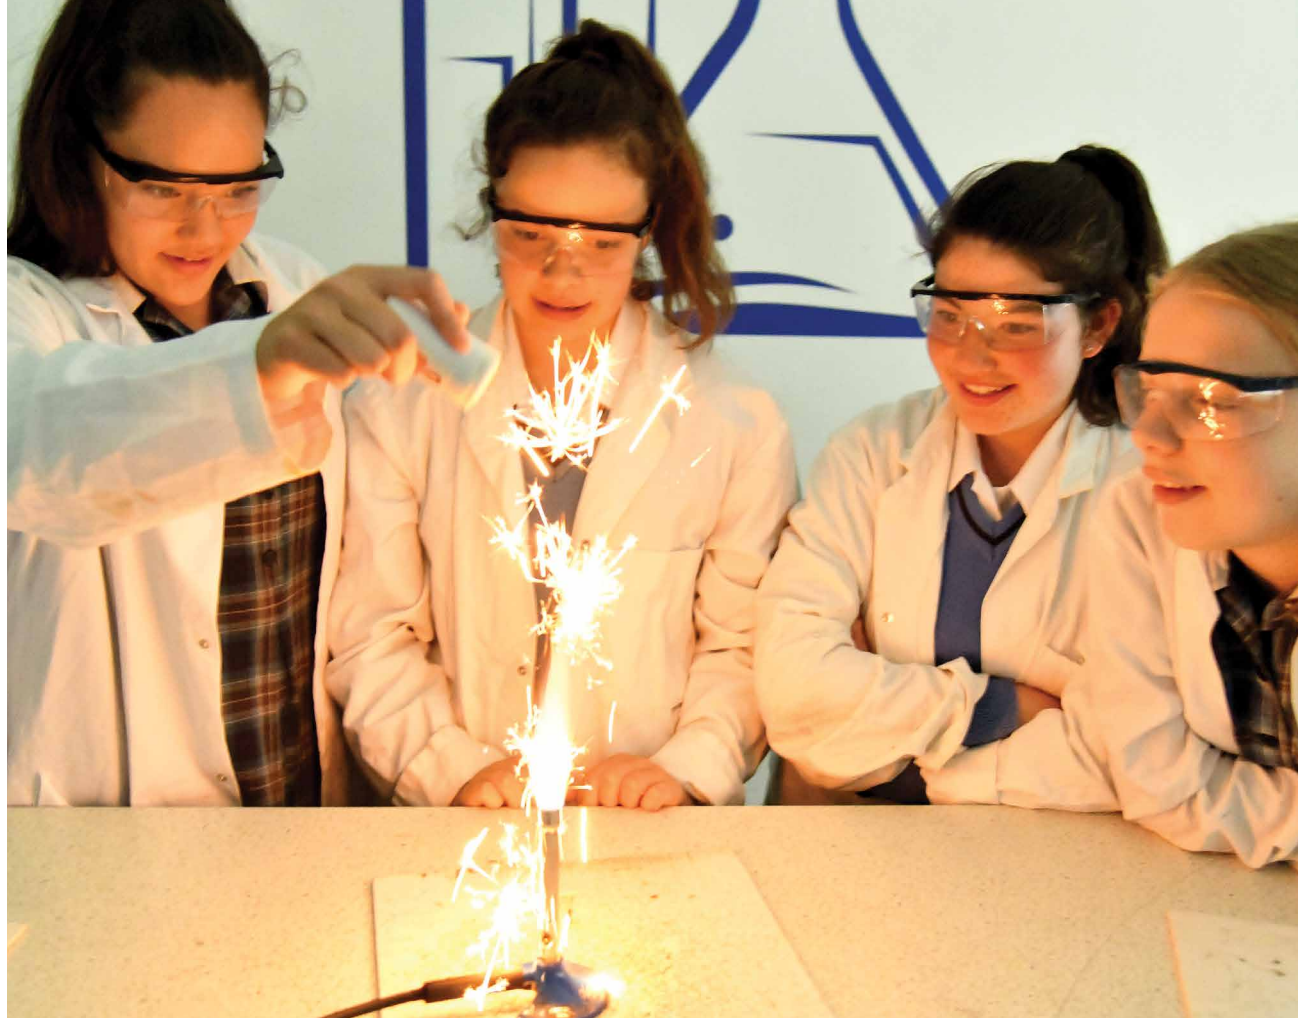

Community

Our community is characterised by inclusivity and kindness, with British Values embedded in all aspects of daily life. Each student will have many opportunities to excel and to make a unique contribution both in and outside of the classroom.

Academics

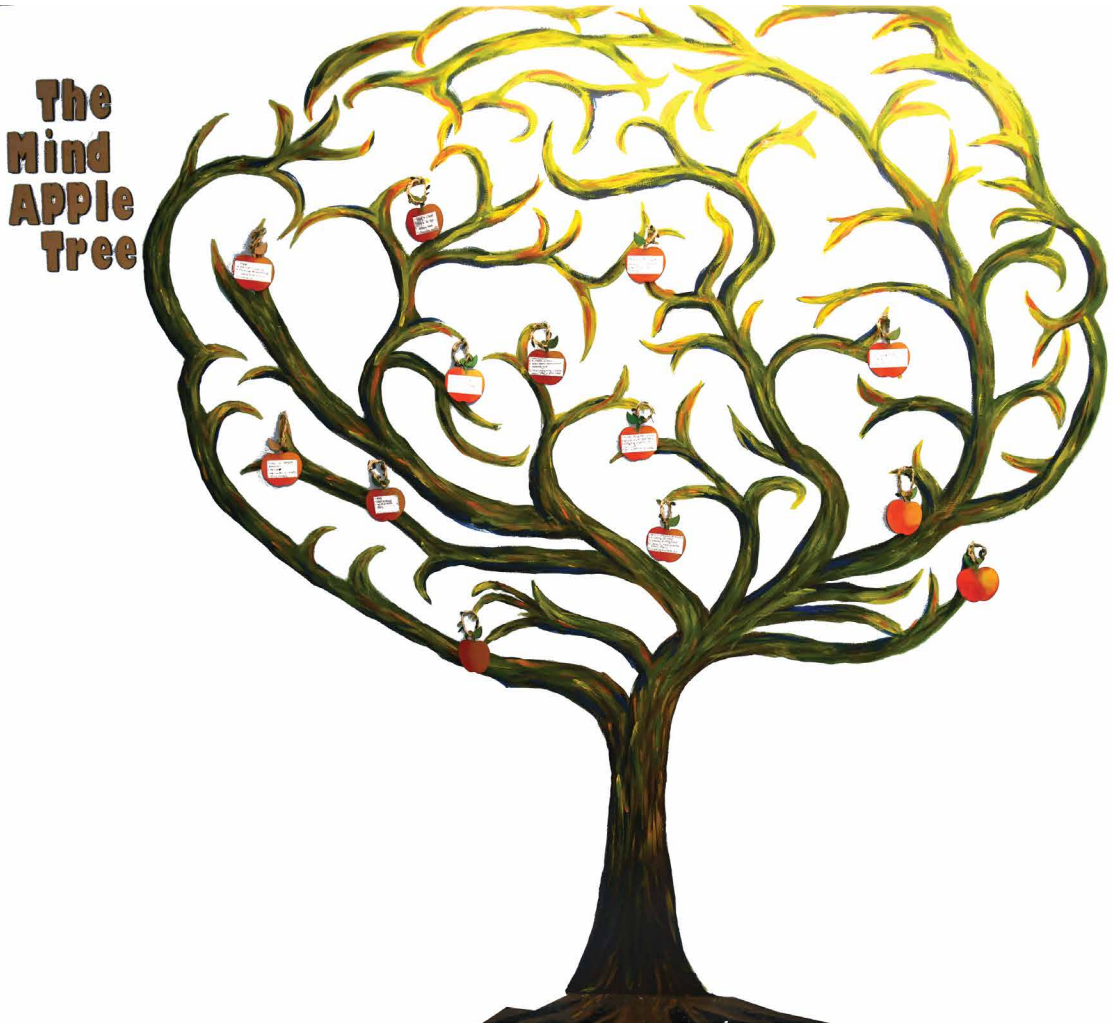

Our curriculum is broad, balanced and exciting. We equip our students for a fast-changing world, ensuring that they have the knowledge and skills to become resilient, adaptable and independent. The public examination results at Newlands are outstanding, with Sixth Formers gaining admission into prestigious universities every year.

Pastoral care

Students say they feel safe and very well looked after at Newlands. Our Pastoral teams work together to provide guidance for everyone. Tutors, Heads of Year, the Student Focus Centre and Wellbeing Hub form a network of support so that there is always someone to turn to for any worries or concerns.

Extra-curricular activities

Our aim is to ensure that whatever a student's interests, there are plenty of clubs, societies, choirs, instrumental groups, squads or teams that they can join. Many students learn a musical instrument and have singing lessons, which can be given individually or in small groups. Students also have the opportunity to take part in the DofE Award.
