News In Brief

FOODSHARE
MAIDENHEAD

Thank You

We wanted to say a huge thank you to all the staff and students who donated to our Christmas food bank appeal: we were able to drop over twenty bags of food down to FoodShare on Tuesday. Thank you so much for your generosity: you have made a real difference to families for whom Christmas is a difficult time.

Start of Term COVID Testing

As you are aware, the school has been asked to test students before they return to face-to-face teaching in January. Year 12 and 13 will be tested on Wednesday 5th January, 2022: full details have been emailed to parents and carers.

Green Thought for the Week

1 Buy good quality decorations that can be reused or make your own. *I will do this* ✓

2 Check that your work Christmas party organiser sets up well-signed recycling options for the event. ✓

3 Find out what your recipients really want, or choose an experience or charity gift. ✓

4 Choose reusable or recyclable wrapping, like paper. ✓

5 Download the new free RecycleSmart App for all your household recycling needs. ✓

*'Tis the season to commit ✓
to reduce, reuse and recycle*

6 Prevent food waste – plan ahead and serve smaller portions. Compost or worm farm your food scraps. ✓

7 Most food and drink packaging is recyclable. Sort and flatten it to fit as much as possible in your bin. ✓

8 Recycle old mobile phones, printer cartridges, computers and tablets that get replaced. ✓

9 Give a recharger pack with any battery-operated gifts – it'll save money and reduce the gift's impact. ✓

10 Ensure your car runs efficiently by inflating the tyres and tuning the engine, and recycle your old car oil, tyres and batteries. ✓

11 De-clutter the house - recycle from the yard, garage and attic. ✓

12 See if your council has a special mulching service for live Christmas trees or take it to the garden section of your local recycling facility. ✓
