

HOW TO SET UP A SQUID ACCOUNT

In order to set up a sQuid account for your daughter you will need a letter from the school containing a 16 digit registration number and a 3 digit security code.

Once you have this letter you will need to follow the instructions below:

1. Go to www.portal.squidcard.com and click on "Create a customer account"

3. Once your sQuid account is registered, you will receive an email from sQuid containing an activation link. Click on the activation link which will take you back to sQuid where you will be asked to complete some additional details. These will include the 16 digit registration number and 3 digit security code that are shown on your letter from the school. You can also assign an easy to remember display name, this is useful if you have more than one child at the school as accounts can be linked.
