

NEWLANDS GIRLS' SCHOOL

This project allows you to enhance the experiences of all our students NOW by donating either financially and / or your time. Both will have an immediate and lasting impact on what we can achieve together.

We ask all parents to consider making a monthly donation of either £5, £10 or £20 to help us maintain, strengthen and invest in the rich learning journey that we, as a school, have embarked on with you. We would be grateful for whatever you can give.

We are also grateful to parents who are able to offer us some time to support with trips, clubs, community projects or by joining the NPA. Please look out for ways in which to get involved and visit the Parent section of our website for details.

We are an outstanding school. Together, as a community, we can make an even greater impact on the development and experiences of the very special young people we work with every single day.
