6pm - 8pm

Prepared for what comes next.

Discover a Sixth Form experience that helps you discover your potential, prepare for your future and take your next steps with confidence.

Mrs Kalinowski

Head of Sixth Form & Assistant Headteacher

WELCOME...

Welcome to Newlands Sixth Form — a place buzzing with ambition, opportunity and the belief that you can do incredible things.
As Head of Sixth Form, I'm committed to giving every student a rich, vibrant and diverse education that opens doors, builds confidence and helps you shape the future you want. Here, you're not just supported — you're championed.

Newlands is a Sixth Form where you step up, stand out and discover what you're capable of. You'll take on leadership roles that matter, dive into super-curricular experiences that stretch your thinking, and get involved in extra-curricular opportunities that make your time here unforgettable. Whether you're leading a team, launching a project, exploring a passion or preparing for your next big step, you'll find people around you who believe in you and encourage you to shine.

What makes Newlands special is simple: our students. Their drive, their kindness, their curiosity — and the way our staff walk beside them, every step of the way. This is a community that lifts you up, celebrates your strengths and helps you grow into the person you want to become.

I hope you feel inspired as you explore what our Sixth Form has to offer. Your journey starts here — and we can't wait to see where it takes you.

Meet some of our Sixth Formers

WHY STUDENTS CHOOSE NEWLANDS SIXTH FORM....

We asked our Sixth Form students why they chose Newlands. They told us it is a place where they feel known as an individual, supported to grow in confidence, challenged to achieve their best and inspired to succeed. Read on to discover what else they had to say...

01. Personalised Support

“One of the things I value most about Newlands is the support. Whether it's managing my workload, thinking about university, apprenticeships and other pathways, or simply having someone to talk things through with, there's always someone there to help. I've had personalised careers advice, opportunities to meet universities and employers, and guidance that has helped me feel more confident about my future. The support here has really helped me develop the skills and confidence to take my next steps”

02. Have Fun & Make Your Mark

“Sixth Form at Newlands is about so much more than lessons. I've had the chance to get involved in everything from enrichment activities and volunteering to supporting younger students and taking on leadership roles. There are lots of opportunities to try new things, build your confidence and make a real contribution to school life. One of the things I love most is that students are genuinely listened to and encouraged to get involved in shaping the Sixth Form experience."

03. Subjects That Open Doors

"One of the things I love about Newlands is that you're encouraged to study the subjects you're genuinely passionate about while exploring where they could take you in the future. The support from teachers has helped me understand the different pathways available, whether that's university, an apprenticeship or another route. Lessons are engaging and challenging, and I've always felt encouraged to aim high. Seeing students achieve excellent results and go on to a wide range of exciting destinations makes me feel confident about my own future too."

04. Destinations To Prove It

"One of the things I value most about Newlands is that there's no single definition of success. I've seen students go on to university, degree apprenticeships, professional sport and a wide range of careers. Whatever your ambitions are, there's support to help you explore your options and find the pathway that's right for you. It's encouraging to be part of a Sixth Form where everyone is supported to pursue their own goals and aspirations."

05. Beautiful Spaces

"Having our own Sixth Form space makes a real difference. Whether I'm catching up with friends in the coffee shop, using the Quiet Study Areas to focus on independent work, or collaborating with others between lessons, there are plenty of spaces to suit different ways of learning. It gives you a sense of independence while still feeling supported, and it's somewhere I've really been able to grow in confidence during my time in Sixth Form."

OUR RESULTS

NEWLANDS SIXTH FORM
COURAGE COMMITMENT COMPASSION
