Newlands News - Term 2 - Issue 1

A Message FROM THE HEAD

Dear Students, Parents and Carers,

Welcome Back!

It has been wonderful to welcome everyone back to school this week and although it does feel like Autumn is here, the mild weather means that our students are still enjoying time in the fresh air at break and lunchtimes which we are keen to promote.

A special congratulations goes to our Anti-Bullying Champions, who delivered a powerful assembly to launch this year's Anti-Bullying Week activities. In particular, I would like to thank the five students who performed an excellent piece of *invisible theatre*. Beginning the assembly seated amongst the audience made the message even more impactful, encouraging everyone to think carefully about how unkind behaviour can affect others and how easily it can go unnoticed. I think this will be an assembly that everyone remembers so please do ask your daughter about it!

The assembly also highlighted our important message to **Break the Silence**. We want all students to know that speaking up is always the right thing to do. If someone experiences or witnesses unkindness, telling a trusted adult enables us to act quickly and provide the support needed. By working together, we can ensure that our school remains a kind, respectful and inclusive community where everyone feels safe and valued.

Thank you to our Anti-Bullying Champions for their leadership and courage in delivering such an important message. I established this group three years ago and have watched it go from strength to strength. I am really proud of you all.

Finally, from me a reminder that smartphones are banned on site for Years 7-11. If we suspect that any student is carrying a smartphone, we will conduct a search and the confiscation period is four weeks, as stated very clearly in our policy. We are delighted with the way in which the vast majority of our students have embraced the change.

Have a restful weekend.

Jo Capon, Headteacher

Celebrating Attendance

As we continue to focus on the importance of attendance, there are a few groups to celebrate and highlight for brilliant attendance in the week before half-term. We challenge all groups to feature in this spotlight!

7B and 7E had 100% attendance in the last week of term-superb!

8E's was 99.4%

9B and 9C 97.2%

10A 99.4%

11F had the highest attendance as a Form in Y11 and an increase from the previous week

12B's attendance was 99.5%

13E were the highest in Y13

Brilliant attendance earns House points so keep working on this girls!

Headteacher's Award for Caring Form

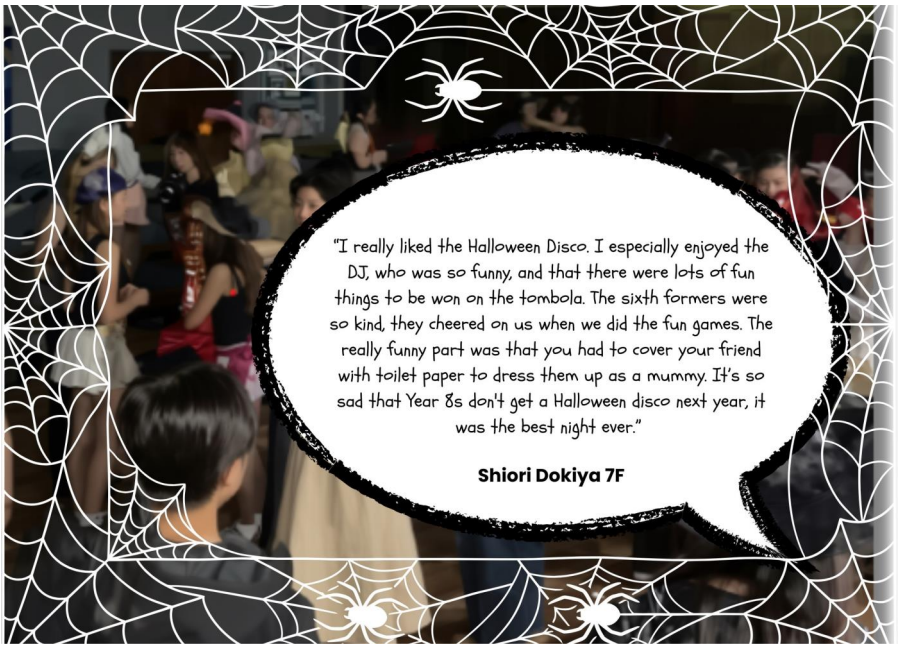

Well done to all the amazing staff and students in Form 7C who recently received a special award from Miss Capon in recognition of the supportive and caring nature of everyone in the Form towards each other. What an excellent start to the students' time at Newlands.

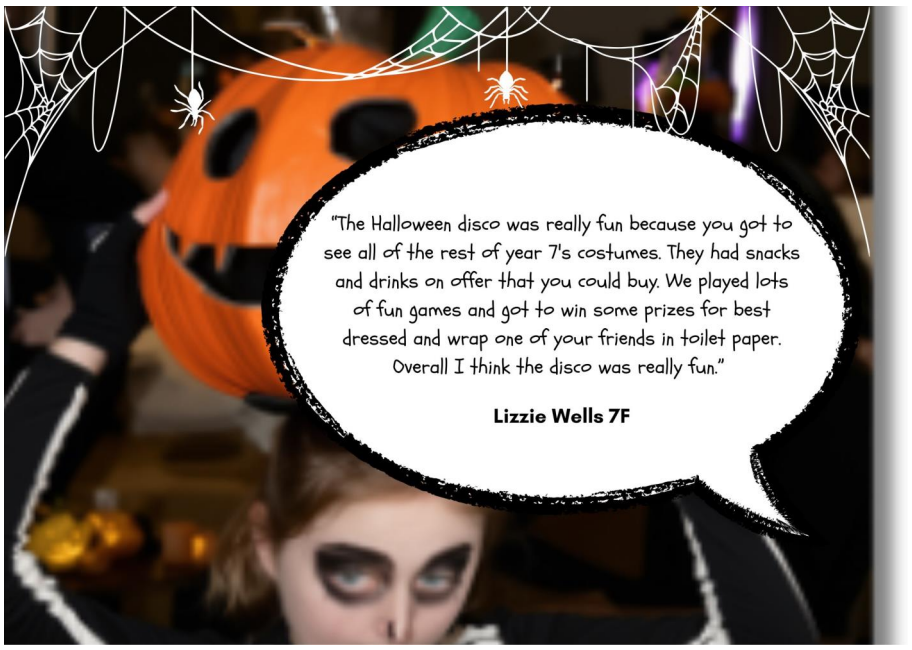

Spooktacular Disco

Our Year 7 students celebrated the end of their first term at Newlands in style at the fantastic annual Halloween Disco! Organised by the NPA, the evening was packed with games, competitions, great music and plenty of spooky snacks. It was a wonderful opportunity for the students to let their hair down, have fun and celebrate with all their new friends. Everyone had a brilliant time, while also helping to raise valuable funds to support the school.

A huge thank you to our amazing DJ, Jeff Lloyd, and to the NPA and all their wonderful helpers for making the evening such a success and giving our Year 7s such a memorable Halloween celebration!

CPR Training for 6th Form

Last term a group of Sixth Form students attended an inspiring cardiology education day at Harefield Hospital, joining students from other local schools to learn about the heart, modern medicine and careers in healthcare.

Throughout the day, students heard from cardiologists, specialist nurses and other hospital professionals about how the heart works, what can go wrong and the remarkable advances in treating cardiovascular disease. They explored medical equipment, including pacemakers, replacement heart valves and stents, and discovered how many procedures can now be performed using minimally invasive techniques rather than open-heart surgery.

There was also a fascinating insight into the wide range of careers involved in running a major specialist hospital, from clinical roles to management, teamwork and medical simulation. Our students were attentive throughout and asked some excellent questions.

One of the most powerful messages of the day was the importance of knowing what to do when someone suffers a cardiac arrest. Students practised CPR on training manikins and watched a realistic emergency simulation involving CPR and a defibrillator.

The message was simple: don't be afraid to act. If someone is unresponsive and not breathing normally, call 999, start chest compressions and get someone to find a defibrillator. You don't need to be a medical professional to help save a life.

Do you know where your nearest defibrillator is? Whether at school, at home or out in the community, knowing its location could make all the difference. You can find your nearest registered defibrillator using the British Heart Foundation's website: "www.defibfinder.uk" (https://www.defibfinder.uk/). Why not take a moment to check where yours is?

Another important takeaway was the prevention of heart disease. High blood pressure, smoking, poor diet and physical inactivity are all risk factors we can influence. Looking after our hearts now can make a huge difference to our health later in life.

A thoroughly worthwhile day for our students, and a reminder that some of the most important lessons from medicine are relevant to every single one of us.

Hispanic Day Meal

A few weeks ago, the Sixth Form Spanish linguists had the chance to celebrate the national day of Spain, Hispanic Day. Held annually on 12th October, it is also known as the Día de la Hispanidad and is the day of when Spanish people commemorate the country's history, recognise Spanish achievements and also show Spain's ties with the international community.

To mark the day the students and their teachers visited an authentic Spanish restaurant called *Sanpa*, where they got to try a huge range of Spanish cuisine.

"*The food was amazing, with us being able to try anything from arroz negro to croquetas, my personal favourite dish being the patatas bravas. It was great to get to learn a bit more behind the culture of the language we're studying, and it was even better since we got to end the evening with churros!*"

School Council Paints It Neon!

This Thursday the newly formed School Council, together with some students involved with the *Screen Free Teen* magazine had the amazing opportunity to spend their lunch break creating some fabulous neon works of art based around the school values of Courage, Commitment and Compassion. Miss Capon even got to join in the fun and added her own designs to the brightly coloured boards. The organisers of the event were very impressed with the students' team work and how well they supported and encouraged each other.

The designs are now proudly on display in the Library for all to admire and more details from the session will feature in the student led magazine due to be published in December.

Politics Student's Interview ITN Journalist

Over half-term Sixth Former Marianne, one of our student journalists for *Screen Free Teen,* had the exciting opportunity to interview ITN Political Journalist Lewis Dennison at the Houses of Parliament. Her questions covered a range of topics including votes for 16-year olds and the positive role of social media in informing and engaging young people with the world of politics. As part of her visit Marianne also got to visit the House of Commons, the House of Lords and even had behind the scenes access to the Palace of Westminster Terrace to conduct her interview.

First Prize for Talented Artist

We are incredibly proud of Year 13 Earla, who has won first prize at the Norden Farm exhibition and for the second time! This year's winning piece is a portrait of her grandad, created as part of her GCSE Art. It's an incredibly special and moving piece of work, and we are in awe of her talent. Well done, Earla. We can't wait to see what you create next!

"*The portrait of my grandad conveys a lifetime full of love, strength and memories shown through the fine graphite line. His gaze captures nostalgia, dignity and the joys of ageing. This personal drawing reflects his influence on me, as personally I look up to him.*"

Sixth Form Open Evening

A Night at the Musicals

We are excited to launch our very first 'A Night at the Musicals' event, which will take place on Thursday 12th November at 6pm. This will be an opportunity for your daughter to perform a song from a musical in front of a supportive audience.

Students may sing a solo or a duet from a musical of their choice. They must send a voice recording of them singing their chosen piece to music@newlandsgirls.co.uk by Sunday 8th November, and outline a backup option in case we have multiple people choose the same song. Each student may send in one entry. If successful, students must send their backing track to music@newlandsgirls.co.uk.

This event is open to students from any year group, and I encourage as many people to apply as possible. Tickets will be available to purchase on TicketSource via the following link from Thursday 22nd October: Newlands Girls' School event tickets from TicketSource.

There will be refreshments available, supplied by the Newlands Parents Association. I look forward to seeing many of you there.

The PE department are excited to be starting the build up to the 2027 gym and dance show! Our Junior, Inter and Senior Dance and Junior and Senior Gym clubs are up and running and preparing routines for the show - do come along next week if you want to get involved.

For those students who were in the show last year, and especially for the Year 7s who might like to find out a little bit more about what is involved, we are holding a special screening of the 2026 show on Tuesday 17th November in the School Hall from 5-7.30pm. We will be showing the show from last year, highlighting all of the fantastic routines our girls performed that made the show just so exciting. It costs just £5 and this includes a drink and snacks. Come along in your comfy clothes and bring a blanket or beanbag if you want to. Settle down for a couple of hours experiencing one of the things that makes Newlands famous - our fantastic gym and dance show. Last year we had over 500 students in the show - can we beat that this year?

Full details will be emailed to parents including how to pay for your daughter's ticket, so please keep an eye on your inbox over the next few days!

House Points Update

Battle of the House Bands

The last week of term saw our annual House Band Competition take centre stage, bringing together talented musicians, enthusiastic supporters and incredible house spirit from across the school. The event was a fantastic celebration of our school values of Courage, Commitment and Compassion, with students stepping outside their comfort zones to perform, dedicating themselves to weeks of rehearsals, and supporting one another throughout the competition.

The competition began on Monday lunchtime, with Curie, Earhart and Frank battling it out for a place in the final. All three houses delivered impressive performances, but it was Curie who secured first place and progressed to Wednesday's final.

On Tuesday lunchtime, it was the turn of Austen, Brontë and Darling. Once again, the standard was exceptionally high, making the judges' decision incredibly difficult. Following a series of outstanding performances, Darling and Bronte earned their places in the final alongside Curie.

The **Grand Final** on the Wednesday showcased the very best of our student musicians. With Curie, Bronte and Darling competing for the title, the atmosphere was electric and the quality of the performances was outstanding. The finalists demonstrated remarkable talent, teamwork and determination, with Darling House ultimately being crowned the overall winners of the 2026 House Band Competition.

A huge congratulations goes to every student who took part. The standard of musicianship was exceptional, and the level of house spirit displayed throughout the week was truly inspiring. Students showed great **courage** in performing in front of their peers, tremendous **commitment** in preparing for the competition, and real **compassion** in encouraging and supporting one another.

We would like to thank everyone who made the competition such a success:

- Our Sixth Form students for coordinating the bands and organising rehearsals.
- The Heads of House for their enthusiasm, leadership and encouragement throughout the process.
- The staff members who generously gave their time and support to help students prepare.
- The large number of students who attended and cheered on their Houses during the performances.
- Every competitor who contributed to such a memorable event.

A special mention must also go to our Year 7 students, who completed a fantastic first term at the school. Many threw themselves into the House Band Competition with great energy and enthusiasm, and they should be incredibly proud of everything they have achieved so far.

The House Band Competition has once again highlighted the talent, creativity and community spirit that make our school such a special place. We are already looking forward to the next major House event, **House Dance**, where all students will have the opportunity to represent their house. Performances will take place on the **last day of term, Friday 18th December**.

Well done to everyone involved, and congratulations once again to Darling House on a well-deserved victory! 🎵🏆🎉

Our annual Christmas Card Competition gets bigger and better every year, with an ever-growing number of fantastic entries. We're looking forward to seeing what creative ideas you come up with this year!

To enter, simply design the front of a Christmas card. Your design can be anything you like, from a magical winter scene to a more traditional festive image. The competition is open to students in all year groups, including the Sixth Form.

The winning designs will be professionally printed as glossy Christmas cards and sold in the Library during December. All money raised will go towards purchasing new books for our Library.

Get creative and enter! Please submit your designs to the Library by Friday 27 November.

Update on CAREERS

Year 11 Mock Interviews

Before half term our Year 11 students took part in a highly successful Mock Interview Day, giving them the opportunity to experience a realistic interview setting and develop valuable employability skills ahead of their next steps in education and the world of work.

We were delighted to welcome a large number of employers and industry professionals from a wide range of sectors, who generously volunteered their time to interview students and provide individual feedback. The event offered students a valuable insight into the recruitment process while helping them build confidence, communication skills and interview techniques.

In addition, students had the opportunity to speak with representatives from British Airways, who shared information about the diverse career opportunities available within the aviation industry. These discussions helped students broaden their understanding of the many pathways and roles available beyond traditional career routes.

Students spoke very positively about the experience, commenting on how beneficial they found the interviews and how supportive, friendly and encouraging the employers were throughout the day. Many valued the chance to practise answering interview questions in a professional setting and receive constructive feedback from experienced professionals.

Employers were equally impressed by our students. One interviewer commented, *"The girls were all very self-confident and well spoken, a tribute to the school."* Another noted, *"The girls were confident, polite, and seemed genuinely engaged in the session."* Further praise included, *"The pupils' interpersonal skills were excellent,"* and *"The confidence, enthusiasm, self-worth and degree of eye contact which each candidate brought was amazing to see."*

We would also like to thank our Year 12 student volunteers, whose support was instrumental in the smooth running of the day. They helped with setting up the event, welcoming and looking after our visiting employers, and ensuring everything ran efficiently throughout the day. Their professionalism, maturity and willingness to help made them excellent ambassadors for the school

We would like to extend our sincere thanks to all the employers who supported the event. Their expertise, encouragement and guidance helped make the day an invaluable experience for our students, equipping them with greater confidence and a clearer understanding of the skills needed for future success. We are extremely proud of the professionalism, enthusiasm and maturity shown by our Year 11 students, who represented the school exceptionally well throughout the day.

Volunteering Opportunity

Applications are now open for the second round of the Youth Volunteering Panel for the Berkshire, Buckinghamshire and Oxfordshire Wildlife Trust. The panel aims to enable young people to use their voice and help to shape the future of volunteering for youth. This will be a great addition to CVs, and the Trust is keen to have young voices influence their decisions going forward. Youth Volunteering Panel member | Berks Bucks and Oxon Wildlife Trust.
